What Are We Learning?

Colors and Shapes- For the month of November we will focus on learning the 11 colors in French and the shapes, circle, triangle, rectangle, square and diamond.

Letters- We have now learned letters A, E, I, O, U C, Y, M, L, P, R, S, Z, H, T, N and Q. Review these letters and sounds at home and practice the actions with your child. You can find the actions in your child's Seesaw journal by clicking on the alphabet review folder.

Math- We will be focused on learning 2D shapes leading into our next math unit on sorting and patterning.

Kimochis- Miss Brittany will introduce a new character this week.

Vocabulary We Have Learned:

We have been learning songs and poems that incorporate all the shapes and colors. We have also started learning a new set of rhyming word sorts.

Upcoming Important Dates

November 19- Picture Retakes

November 27- No School for Kindergarten

December 11- No School for Kindergarten
