What Are We Learning?

Christmas- We are learning a lot of new Christmas words and will begin to practice a Christmas song to sing for parents(virtually) during our Christmas party on the 17th. We are also still working on those phonemic awareness skills like rhyming, beginning sounds and syllables.

Letters- On Monday the kids will learn our final letter, the letter Xx. Please continue to review letters and sounds regularly with your child.

Math- We started our unit on sorting last week and worked on sorting by color or "trier par couleur". We will continue to work on different ways to sort objects this week.

Kimochis- Last week we met Lovey Dovey. Miss Brittany will introduce a new character this week.

Vocabulary We Have Learned:

cadeau(gift) c-ah-do

renne(reindeer) rain

Père Noël(Santa) pair no-elle

canne(candy cane) can

regarde(look) r-uh-gah-r-d
